# STEEL AND ALUMINUM UNDERBOXES

*Manufactured With Confidence*

Reading's underboxes allow you to add convenient storage space to your stake/platform body, dump body, or trailer. Simply add a Reading underbox to increase your carrying capacity with secure, weathertight storage space. All underboxes are 18" high and 18" deep and range in lengths from 20" to 60".

## Steel Underbox Features

- Heavy-gauge corrosion resistant coated steel
- High gloss tough Powder Coat finish

## Aluminum Underbox Features

- Heavy-gauge aluminum tread plate
- Reinforced base and upper corners to accept heavy loads and give additional support at mounting points
- Two-ply floor for additional support

# STEEL AND ALUMINUM UNDERBOXES

## Steel Underboxes

- 14-Gauge zinc coated steel construction resists rust and corrosion both inside and out
- Stainless steel one point T-handle locks. Lock cylinders are guaranteed for life to the original owner
- Full length concealed hinge pins with bolt-on stainless steel hinges. Includes a stainless steel bushing, ensuring smooth operation in all weather conditions
- Continuous welding for maximum durability
- Exclusive Dual-Pro® Seal System
  - An automotive quality bubble type seal
  - A mechanical seal provides a dual line of defense against weather
- Powder coat paint offers a black, high gloss, chip resistant finish
- Three year limited warranty

No shelves or dividers furnished. \*Two locks on 60" underbox. All other underboxes have one lock.
